Unit 23	Skill Acquisition		Internal – Coursework	

Resources needed for the first lesson in September:

Lever arch file, file dividers, plastic wallets, pens, highlighters, paper

Recommended Textbook/revision guide:

Pearson BTEC National Sport Student Book 1 and 2

Task:

- 1) Your task is to design a presentation on some of the Anatomy and Physiology content of the BTEC Sport course.

Your presentation must include the following:

- At least 25 major bones of the body (including Latin names and the sections of the vertebrae)
 - Functions of the skeletal system
 - At least 25 major muscles of the body (including Latin names and sections of the Quadriceps, Hamstrings and Abdominals)
 - Responses and adaptations of the muscular system to exercise
- 2) Unit 3 – Professional Development – Research a job you are interested in (e.g. Coach, Teacher, Marine, Police...). Print off a job description and annotate some of the qualities you feel you have now. Also produce a small plan on how you might gain some of the experiences you need while at 6th form.

Deadline Date: **Tuesday 4th September**
