

Governor training completed 2017-18

Governors attended the governor training courses listed below in 2017-18. The training followed from the skills audit in July 2017. This audit indicated that governors needed to improve their knowledge in specific educational issues.

Governors have written notes following each training course which they have reported on at the Local Governing Body meetings.

- National College for Leadership & Teaching - Chairs of Governors' Leadership Development Programme – AD
