Dear Parent or Carer

We would like to invite you to a Year 9 Careers Information evening on **Tuesday 13th November** in the Main Hall. As the year group is so large we intend to run two identical sessions, **the first at 5.30pm and the second session at 7pm.**

The purpose of the session is to outline the school's provision of careers education over the period up to post 16 choices. This will include:

- A year group enterprise activity led by our Enterprise Advisor, Nickie Gott
- The launch of the Learning Journal for every student in Year 9
- Plans for further opportunities for careers education over Key Stage 4
- The opportunities for parents/carers to support both their children and the school

It is intended that the session will last for approximately half an hour.

Other key dates this academic year include:

- Week beginning 19th November - assessment week for Year 9
