December 2018

Dear Parent or Carer

At the start of our new term in January, students in Year 8 will begin their Key Stage 4 option choices. As in previous years, students will have the opportunity to make Key Stage 4 choices about which options they will study at GCSE level and will follow these courses for three years leading up to their GCSEs at the end of Year 11.

I would like to take this opportunity to invite you to a Year 8 Options Information Evening on **Tuesday 15th January**. Year 8 students will be provided with advice and guidance over the next term to help them make informed decisions regarding their option choices. Some core subjects remain compulsory until the end of Year 11, but the students will be able to select their remaining subjects from a range of options. The Options Information Evening will be an opportunity for you to find out more detailed information regarding the options process and to be given the timeframe for subject choices.

The Options Information Evening will take place in the main hall from 6:00-7:00pm on Tuesday 15th January.

We look forward to welcoming you to the Information Evening and hope that you will be able to attend.

Yours sincerely,

Gayle Scott
